RE: Petition for exemption of closed captioning requirements due to undue burden

We are filing for this exemption because we have no money to pay for closed captioning. Our show is produced by my self (Corey) and my brother (Aaron) from our mothers basement. It is our goal to help creative people get their short homemade horror movies out to the world with this project. Creeps Creature Feature currently has no more continuing sponsors and we need this exemption.

We understand the importance of closed captioning and really hope to find future sponsors to help pay for it. Thank you for your understanding.

Sincerely,
